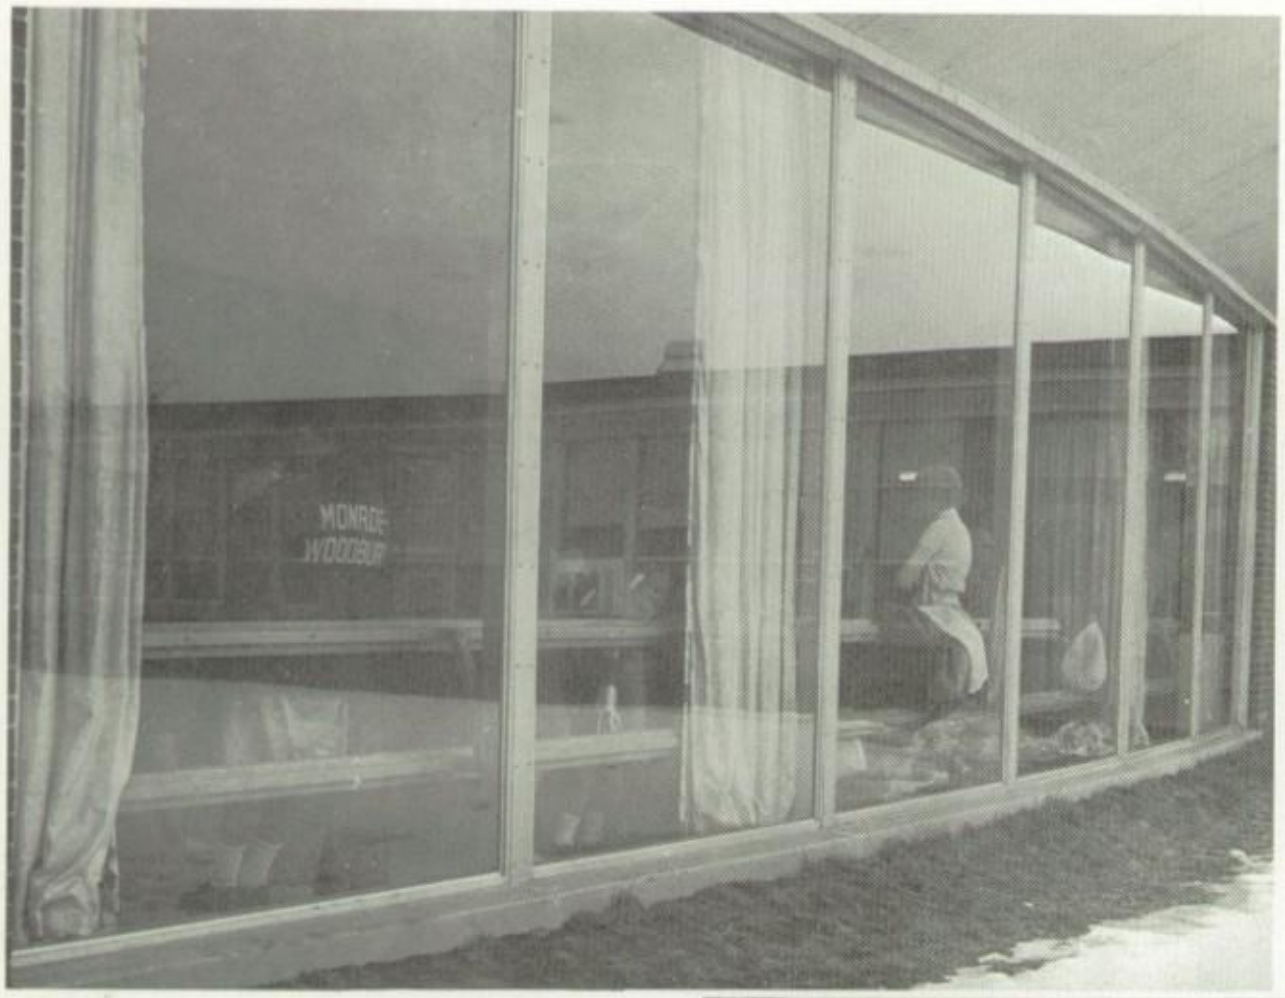
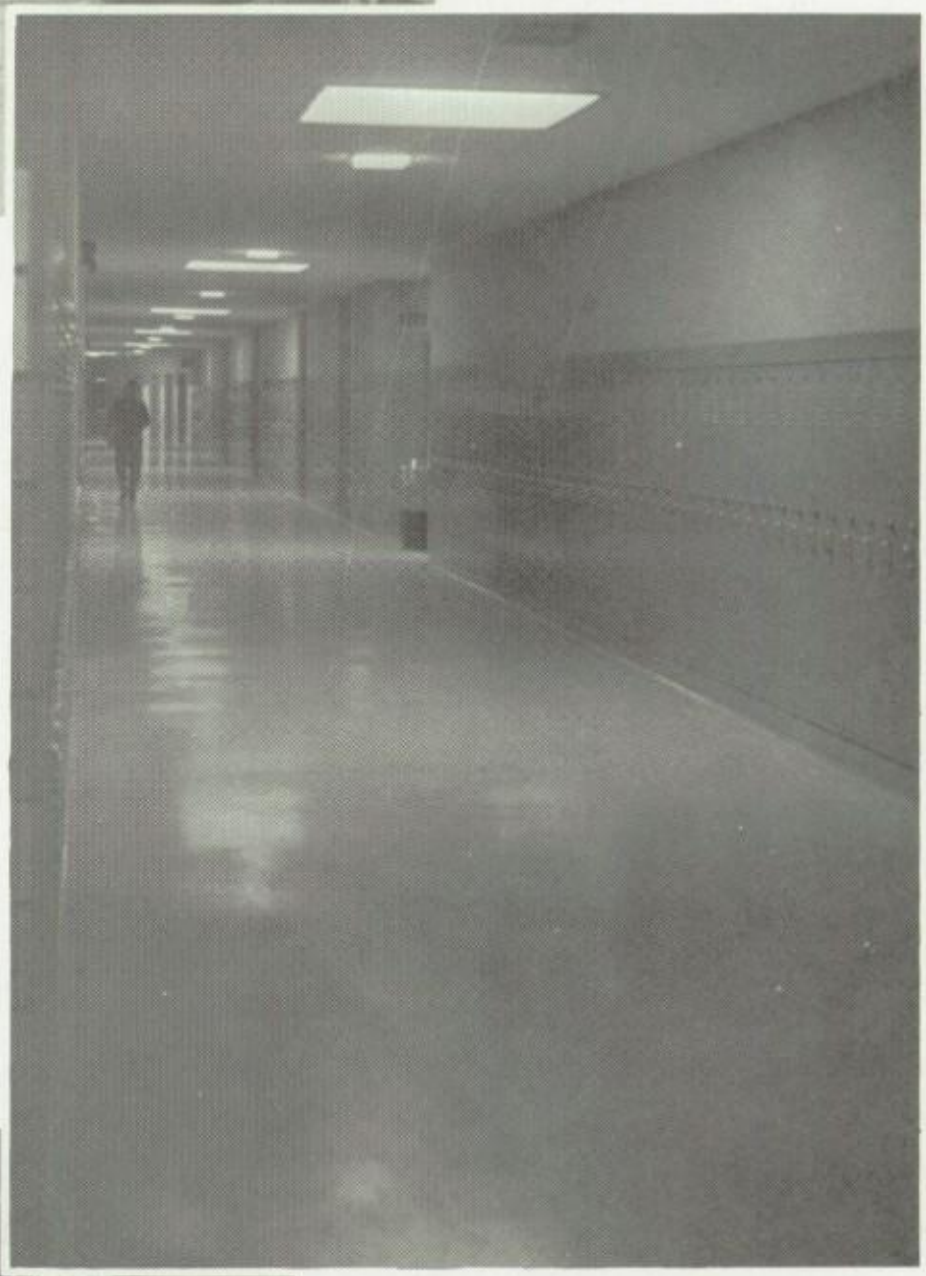
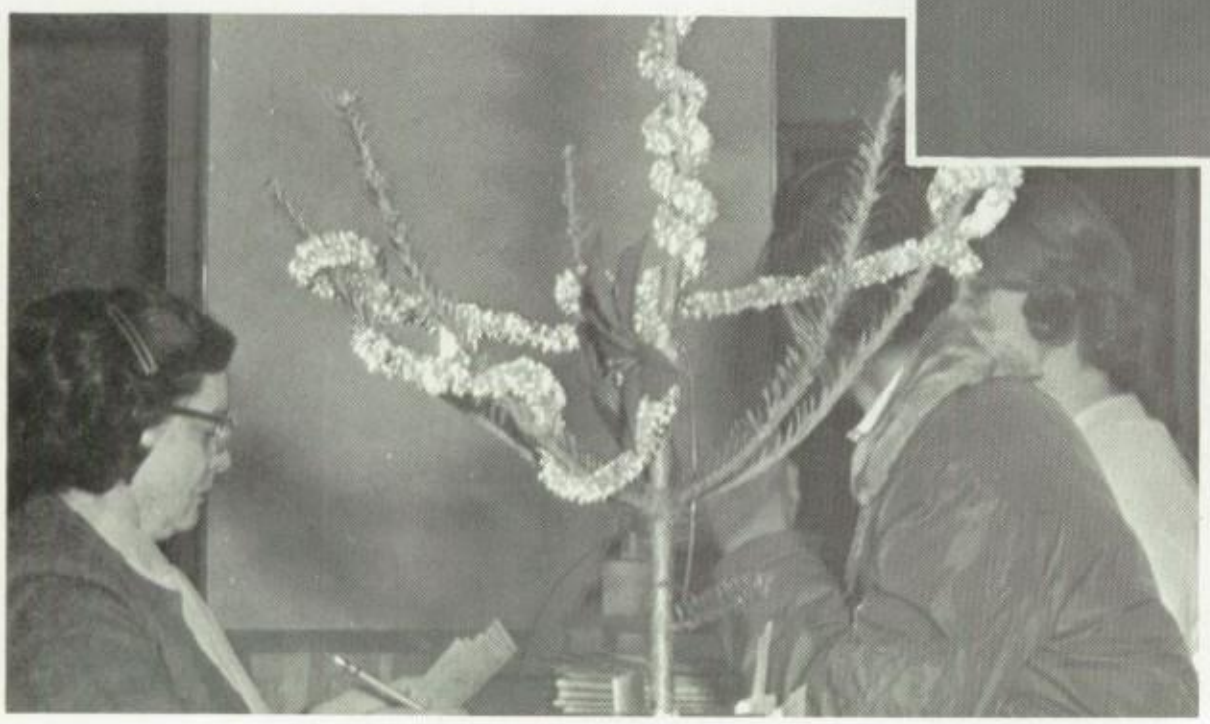
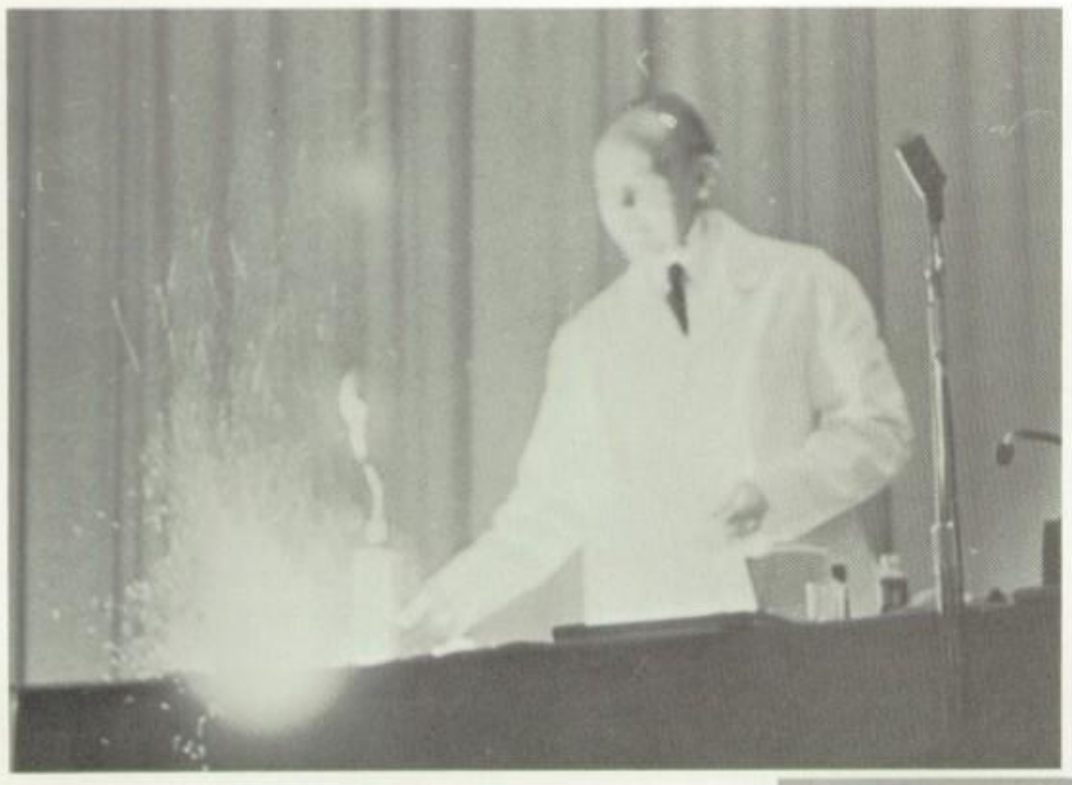
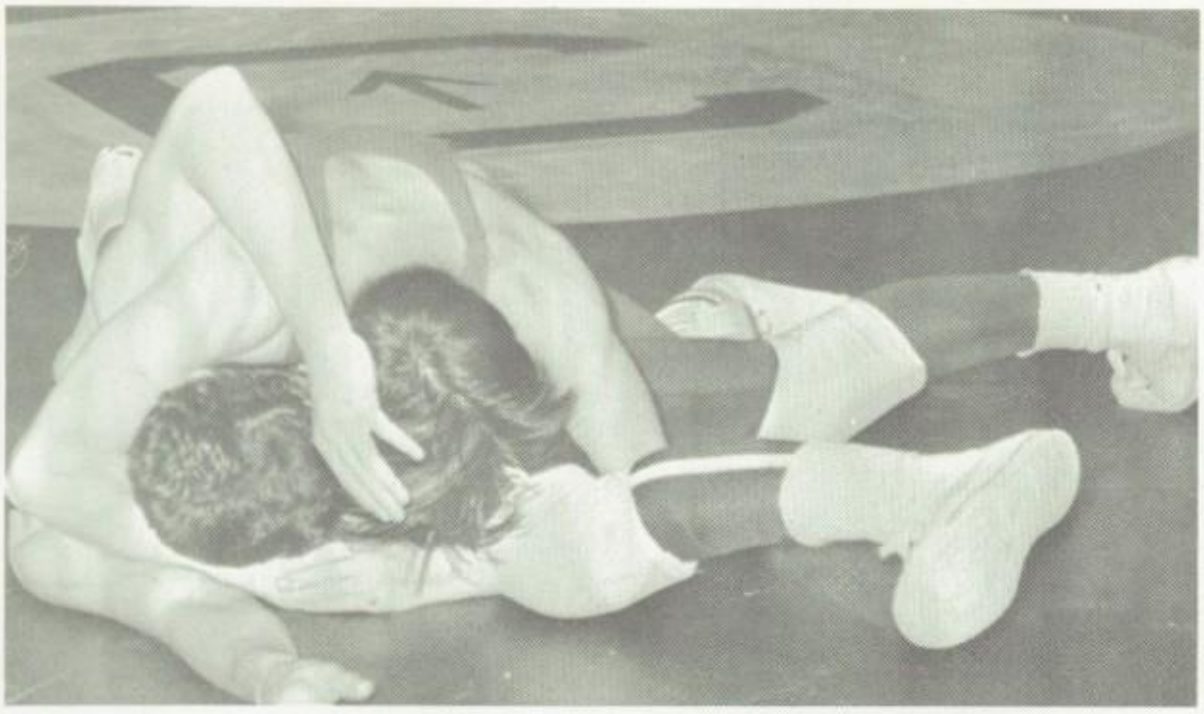
NOEL











"And the entire object of true education is to make people not merely do the right things, but enjoy the right things: — not merely industrious, but to love industry — not merely learned, but to love knowledge — not merely pure, but to love purity — not merely just, but to hunger and thirst after justice."

John Ruskin

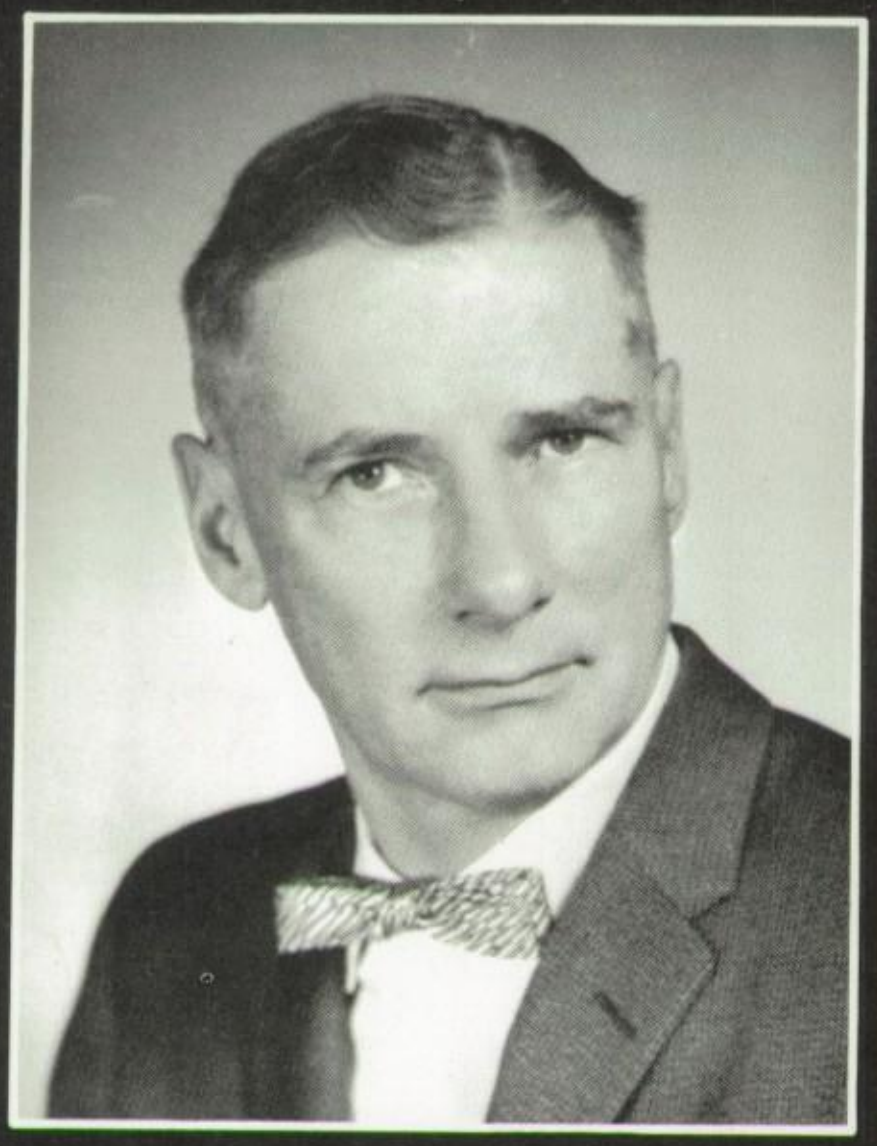
# In Memoriam



CHARLES L. DALY
August 2, 1963

The student body of Monroe-Woodbury Central School lost their high school principal of ten years standing and their newly-appointed administrative assistant when Mr. Charles Daly was taken from them last summer. But they lost more than a man of titles. They know that they lost a friend . . . an educator who really cared for them. Mr. Daly's concern for the students was one of personal affection for each one of them. For this concern we can never forget him; for he has left an indelible print of good advice and example on each one of us and we find ourselves returning our affection to his memory.

# Exchange Student

Margaret Elspeth Cromie came to us from Lower Hutt, New Zealand. To some, she may have seemed quiet at first, but Margaret was far from being shy. Her sense of humor and her friendly personality have won her a place in many hearts at M-W.

Margaret didn't know about extracurricular activities, as such, but she was active in several organizations in Lower Hutt. She belonged to two orchestras and a chamber music group, as well as being in a choir and being a school Prefect. Margaret's main achievement was becoming an A.F.S. Student. Since she has been at M-W she has proven herself to be a leader by becoming an active member of the: G.O., Chorus, Band, French Club and Enrichment Group.

Margaret has graduated from High School in Lower Hutt. She admits, though, that she has quite a bit more homework at M-W than she ever had at home. By coming to the United States, Margaret missed her freshman year at college, which she will have to make up when she returns home.

Margaret will be leaving us in all too short a time, and when she goes we will have lost a friend, but we are all happy to have known her for just one brief year.

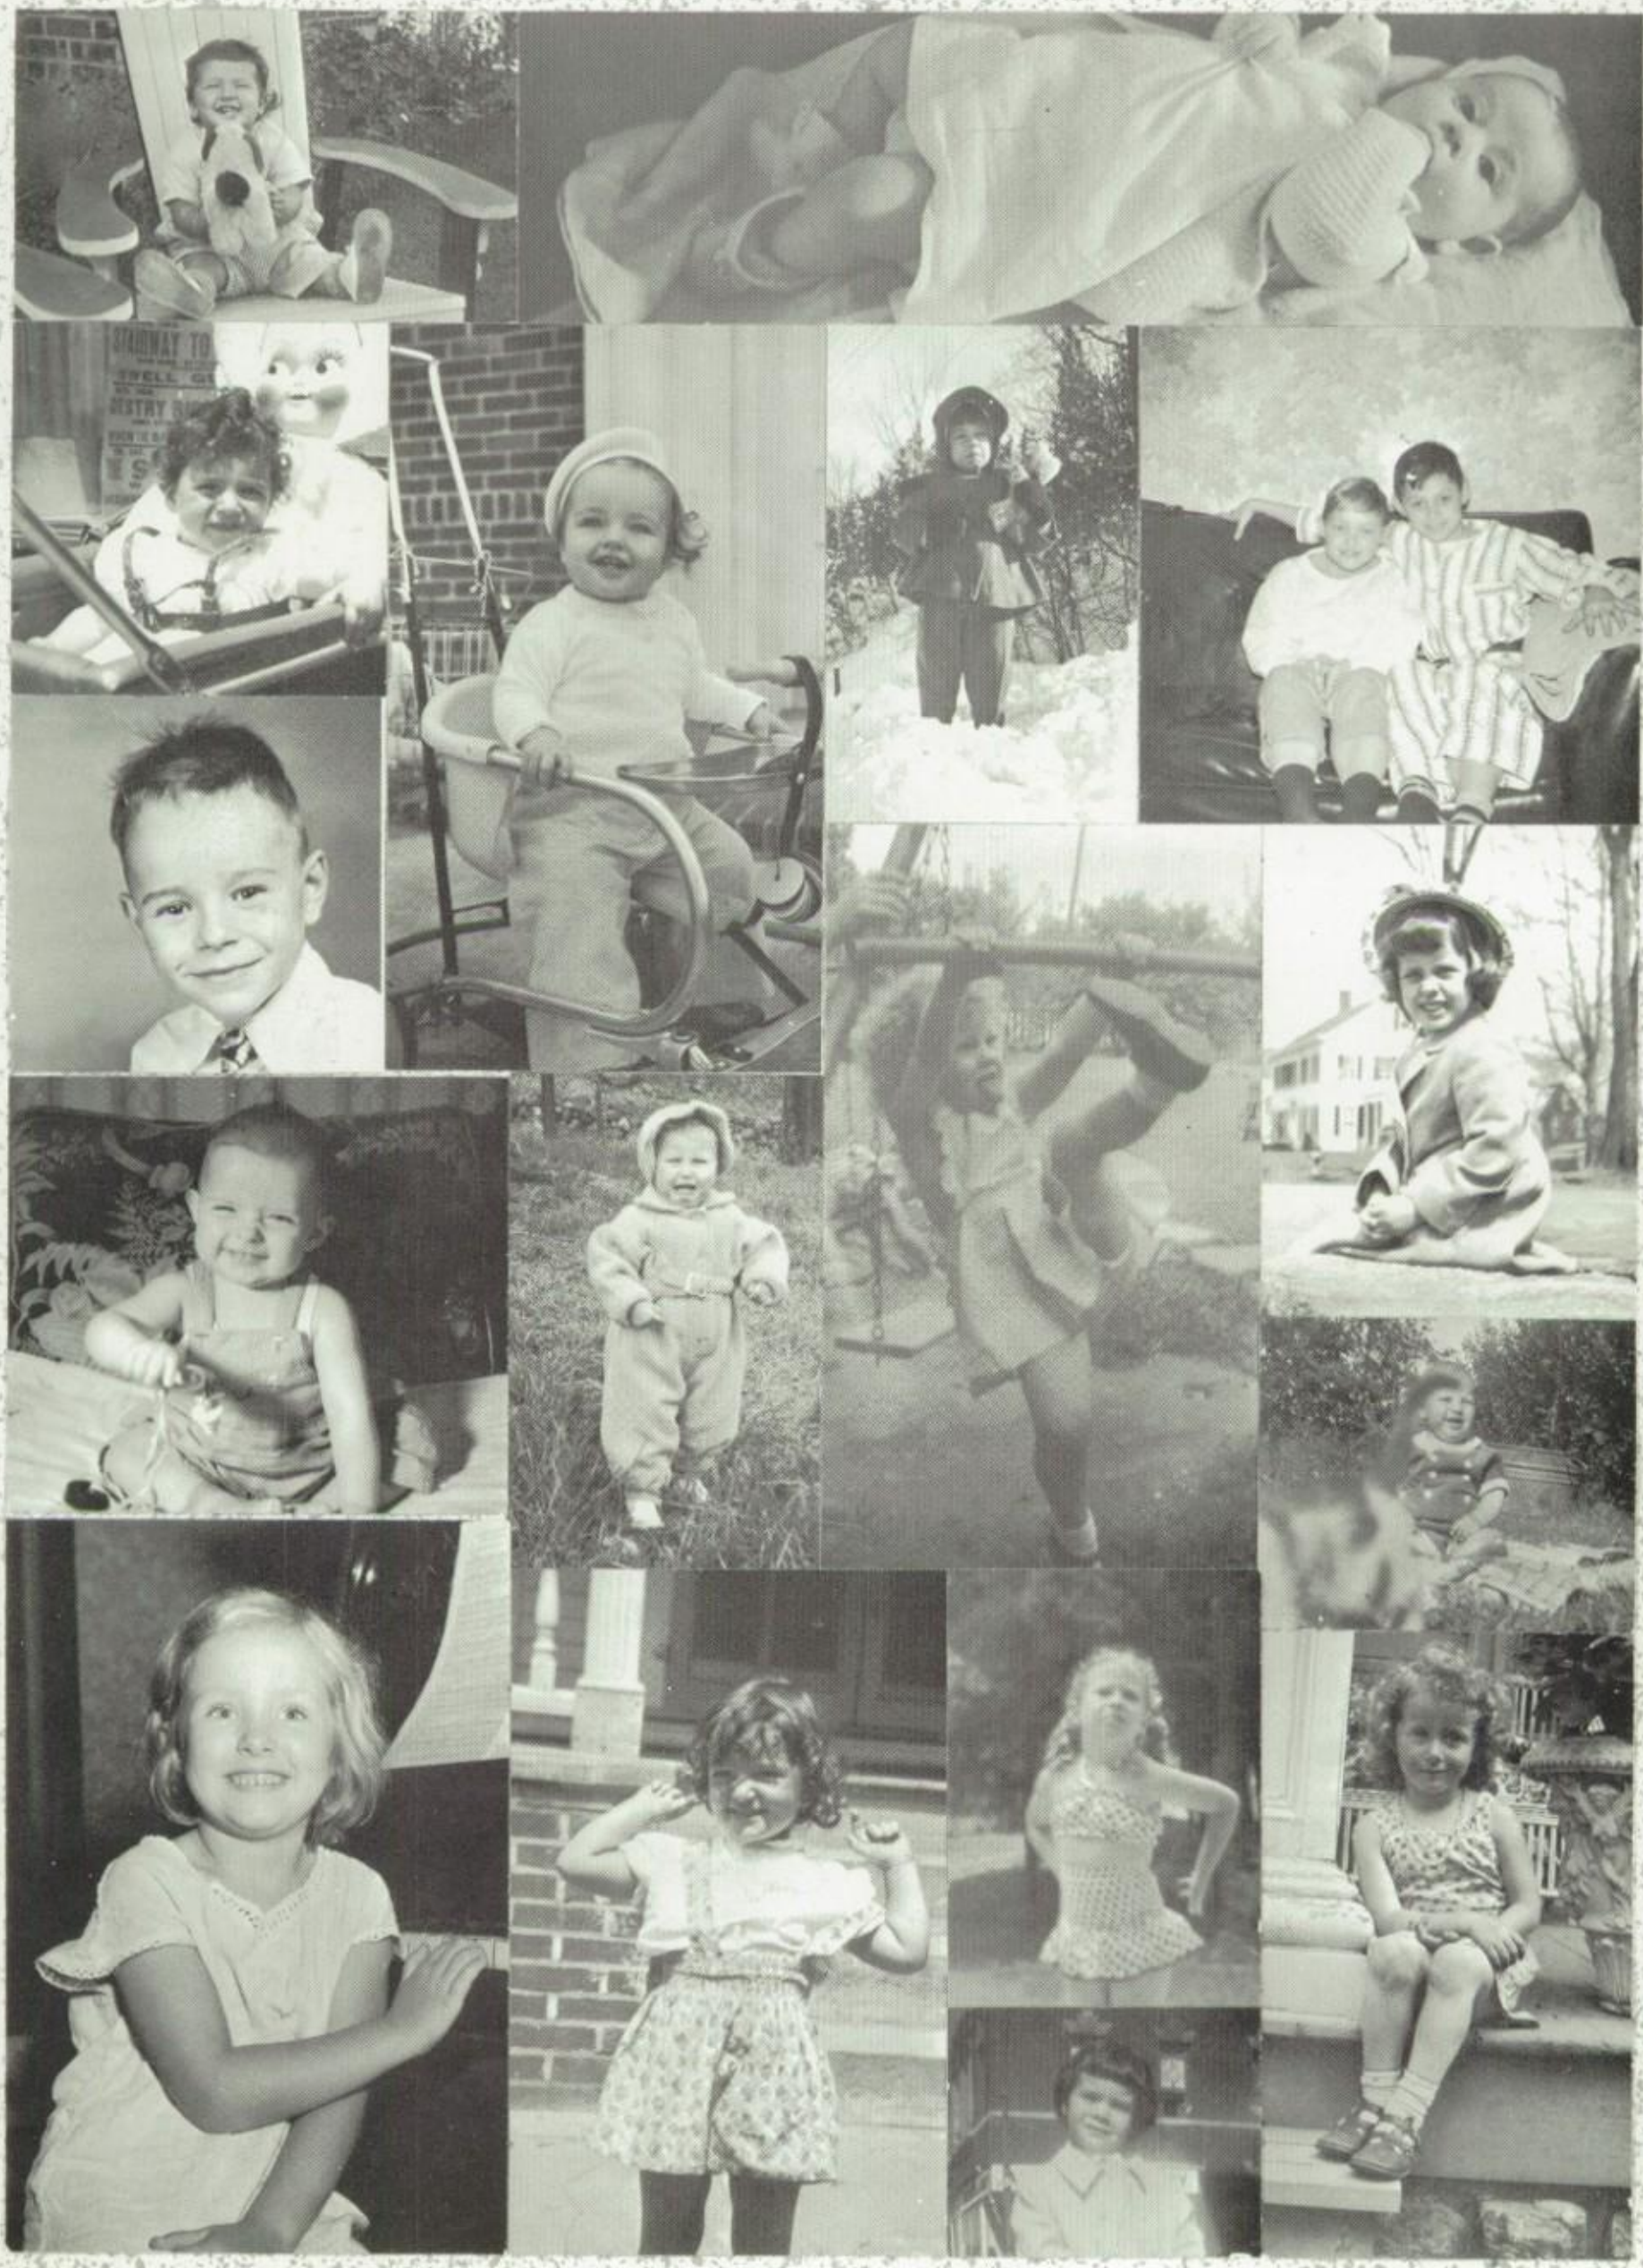
# Remember When?



# Class History

As we approach our graduation the Class of '64 likes to look back and reminisce about the days when we were "toddling tots" in grade school. We were not always together as an organized class. Each one of us has separate memories about the activities of his class.

Harriman's "sixth grade greats" were taught by Mrs. Cunningham. This was a traveling class. They went places and did things. Among their many stops were: West Point, Bear Mountain and the United Nations. Along with being well-traveled this class was nature-minded. As far as we can ascertain from the accounts we have heard several of the boys managed to catch a rather large rattlesnake and do a rather decent dissection. This class also put on an Irish Dance Program. Everbody made their own costumes from sheets that had been dyed green.

The students from Central Valley and Highland Mills were brought together in fifth grade at the Valley Grade School. There were two sixth grades, headed by Mrs. Doxey and Mrs. Sodeberg. Mrs. Doxey's sixth grade was in charge of the "safety patrol." Their major accomplishment of the year consisted of getting the road crossing moved twenty feet farther down Smith Clove Road, in the interest of safety, naturally. Together these classes put on Scotch Dances for the P.T.A. Remember how cute the boys looked in kilts?! Toward the end of the year Mrs. Sodeberg was surprised when her class gave her a baby shower.

Meanwhile, back in Monroe three energetic classes were concocting some unusual "grade school goodies." Mr. Dietzel's fifth grade entertained one of the most interesting projects: a week-end camping trip to N.Y.U.'s camp on Lake Sebago. One memorable evening a group of boys cooked spaghetti? The water simply refused to boil, so they soaked it, and served it cold, smothered in steaming hot canned sauce. This was the illustrious class that was turned over to Mrs. Reagan for sixth grade. Oh! How could anyone forget those Ancient History Projects and sanding our desk tops.

While one class spent a week-end in the woods Miss Marshall's fifth grade was busy building birdhouses to put on an empty lot owned by the school. As sixth graders this class found a couple of mischievious things to do. Being on the second floor was a definite advantage in suspending bicycles and paper baskets so that they dangled directly in front of the first story windows. Several of the more advanced students managed to construct a crude rocket, but to their dismay Miss Hayes refused to let them stage a launching. During the last two weeks of school a war was waged among some of the class members. Crossbows were carefully constructed from rubber bands to shoot paperclips and pencils.

Last but not least was Mrs. Robinson's fourth grade. They worked on a "melting pot." Each person recited something in a foreign language and dressed in the national costume of that nation. These wonderful children were in the capable hands of Mr. Thonas Daly when a sudden epidemic of measles seemed to pop up.

As a unit these three classes managed to stage a colossal performance of "A Christmas Carol" by Charles Dickens. We also spent our field days at Gibson's.

At the end of sixth grade came two big events: a trip to the High School and the Sixth Grade Dance. At the dance some of the members of the Class of '64 got a look at each other for the first time — and, who could forget the dance contest.

The following year the Class of '64 assembled together as a unit for the first time in the 300 wing of MWCHS with mixed emotions of fright, happiness and anxiety. This first year proved important. It was a year of adjustment and learning the ropes, but by the time June rolled around we were all seasoned veterans.

With an expanding population came an expanding building. We did not return to the 300 Wing, but to a brand new wing, all our own. We were proud and happy to be 8th graders — Seniors of the Junior High.

We worked hard all year to match the efforts of the class ahead of us. The Class of '64 wanted to surpass its predecessors, gain its own recognition and leave its own mark — it did just that! As another year came to an end the graduates of '64 stood with anticipation on the threshold of their high school careers.

Well we'd finally made it. We were now facing the trials and tribulations of four long years of high school. Little did we realize how quickly the years would fly by.

In 1960 we first sought recognition. Although our plea to organize was rejected, we did not remain inactive. As the months passed in our freshman year, we found that high school was an altogether new experience. For the first time we realized the responsibility that we must face. This year was a quest for knowledge and understanding and the beginning of a truly great career for the Class of '64.

The summer whizzed by and the fall was right behind. For the first time, we were a real class because we now had officers. We organized under the able leadership of our new President, Brian Gibson. Greg Welch was chosen Vice-President, Kate Miller was Secretary and Lorraine Kroposki became Treasurer.

As the classes before us, one of our main objectives was to earn money. By sponsoring such social events as the Football Dance and the Valentines Dance, we started our money making campaign. It proved to be quite an incentive towards our work.

Money, however, was not our only objective. Pleasure was obtained by joining various extra-curricular activities. That year the Junior Thespians, under the supervision of Mr. Duffy, presented "Two Crooks and a Lady." Marilyn Foley portrayed the old lady, and Linda Haylock was the maid. Both these girls did a fine job and helped to make the production a great success.

Athletics was another favorite with our class. We had boys on both Varsity and Junior Varsity teams. Marsh Merrill was one of the few sophomores ever to be chosen for the Crusader Club. The boys' job was made easier by the energy of the Cheerleaders. A large number of the class also distinguished themselves by winning National Educational Development Certificates. Many had achieved this same honor as freshmen.

Finally after the rush of our first regents, school again closed and the summer turned to fall. We were now upperclassmen, Juniors. We could now look back on two worthwhile years and look forward to our last two in high school. Ahead of us lay the Junior Prom and Plays.

Ed Leonard became our new Class President with Greg Welch as Vice-President, Kate Miller was Secretary and Fran Betola, Treasurer. With such fine officers, how could we lose? We couldn't. An eventful year followed in all respects.

Our leadership shone when Larry Williams became Vice-President of the Student Council and Ruth Kirk became Recording Secretary. In the Literary field, Alice Wright was chosen Corresponding Secretary of the Spotlight. The Shield was also heavily endowed with many Juniors.

Academically, the Class of '64 had proven quite adept. Early in the fall, the first Juniors were tapped for the National Honor Society. They were Richard Coppola, Tina Dieckman, Kathy Esnes, Loni Green, Ruth Kirk, Lorraine Kroposki, Michael Kroposki and Kate Miller. Later that year Bill Coughlin, Ann Stevens and Betty Vogt were tapped. This was the largest number of Juniors to be accepted into this organization.

A very important part of our Junior year was the production of "You Can't Take It With You." Without the efforts of Mr. James Baumgarten, director, the play could not have survived. The cast included: Marilyn Foley, Joe LoScalzo, Tina Dieckman, Kate Miller, Bob Ganz, Richard Coppola, Brian Gibson, Donald Selchow, Nancy Eppolito, Virginia Beatty, Pat Layne and John Barrett.

The Class of 1964 also had representatives to places outside of our communities. John Monzillo was chosen as the representative to Boys' State at Colgate University, Ruth Kirk was the American Field Service Exchange Student and was sent to Turkey. This was the same program that brought us Margaret Cromie.

Athletically the Class of 1964 again excelled. Eddie Leonard and John Barrett were chosen as members of the Crusader Club, a very high honor.

The Prom Committee, headed by Joe LoScalzo, and the class put on "Young At Heart." Streamers and cupids helped to transform the bleak gym, and the evening became a success. Martha MacDonald and Lynne Mutchler were chosen as princesses during the evening. The prom was a gay and appropriate evening to end an eventful and tiring year.

However, fall finally came again, to bring the beginning of the end of our high school years. This was to be perhaps the busiest, shortest and most rewarding of our high school career.

One of the most important parts of a high school is the Student Government. Nancy Eppolito was elected president to replace John Barrett who had moved to Marathon and whom we all miss. Helping her was Kathy Esnes as Treasurer and Pat Layne as Recording Secretary.

Academically, Richard Coppola was chosen as a National Merit Scholarship Semi-finalist. Several of our classmates won letters of commendation. Students who had gotten qualifying scores on the National Merit Exam were chosen to participate in the Enrichment program.

Throughout our high school years the cheerleaders have been an important part of the school morale. Cheerleaders from our class included Wanda Abrams, Gail Bretnall, Carol Crusco, Nancy Eppolito, Penny Grinrod, Linda Haylock, Dottie Kogan, Martha MacDonald, Kate Miller, Lynne Mutchler, Lana Raso, Sandy Re, Betsy Smith, and Barbara Warga.

In our last year the teams were very active and effective. Spirit and determination mixed with a few black eyes and broken bones portrayed players from the Senior Class. Marsh Merrill and George Gurrnat won the "most valued player" awards during football season. The fine playing of Ed Leonard and George Gurrant was evident during basketball season.

The Shield was organized with determination to make it the best ever. Richard Coppola was elected Editor-in-Chief, with Sandy Re as Associate Editor.

The class of '64 was again faced with putting on a play. With the help of their Director, Mr. Markham, the seasoned veterans put on a successful performance of "Dear Ruth," after encountering many major obstacles. The cast included: Marilyn Foley, Joe LoScalzo, Mike Kroposki, Pat Layne, Bob Ganz, Ginny Beatty, Ed Leonard, Tina Dieckman and Lynne Mutchler.

The plays became past history and the Class turned its energy toward making the Winter Frolic a success. Sandy Re, Helen Kelsal, Nancy Olsen and Lynne Mutchler were chosen as Princesses. On the evening of the dance, Lynne had the honor of becoming queen. From here on in the class turned its mind to college and graduation. Some of the main problems of the year were college acceptances, college boards, and job hunting. Mike Kroposki had the honor of being accepted at Harpur on the tri-mester plan and he left us before graduation to go on to bigger and better things. We are sure, however, that no matter how many doubts we have in our minds the great Class of 1964 will always be successful.

So, This is a high school Senior!

Don't look now, but somebody's hissing in the second row.

Did we lose that cop yet?

The Flying Wallenda's — incognito!

Miss Monroe — ?

It was a closed party, but as long as everyone brought presents, that's all right.

I simply must go on a diet next week!

O.K. — Round 'em up — move 'em out!

If they only knew, this is a mad magazine.

I only have eyes for you!

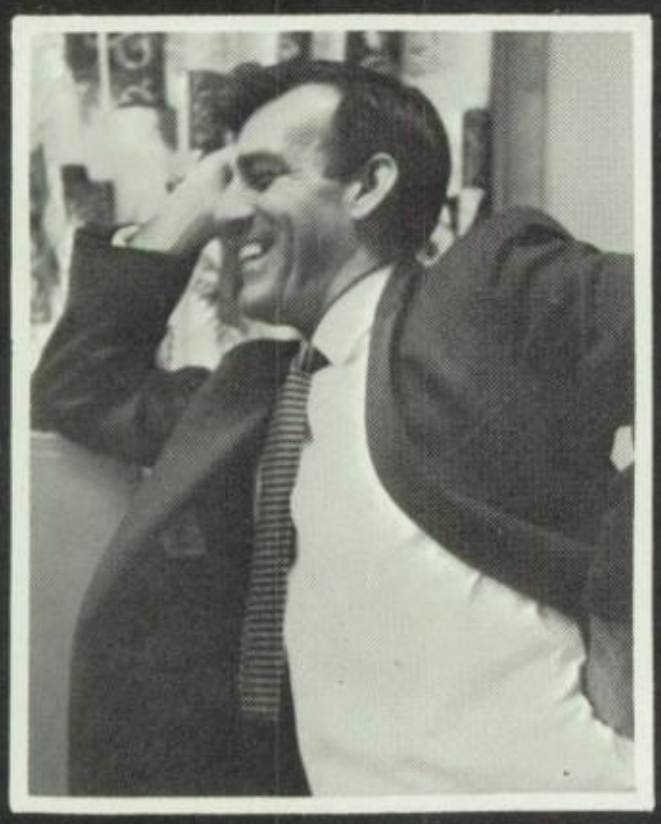
WHAT did you say???!

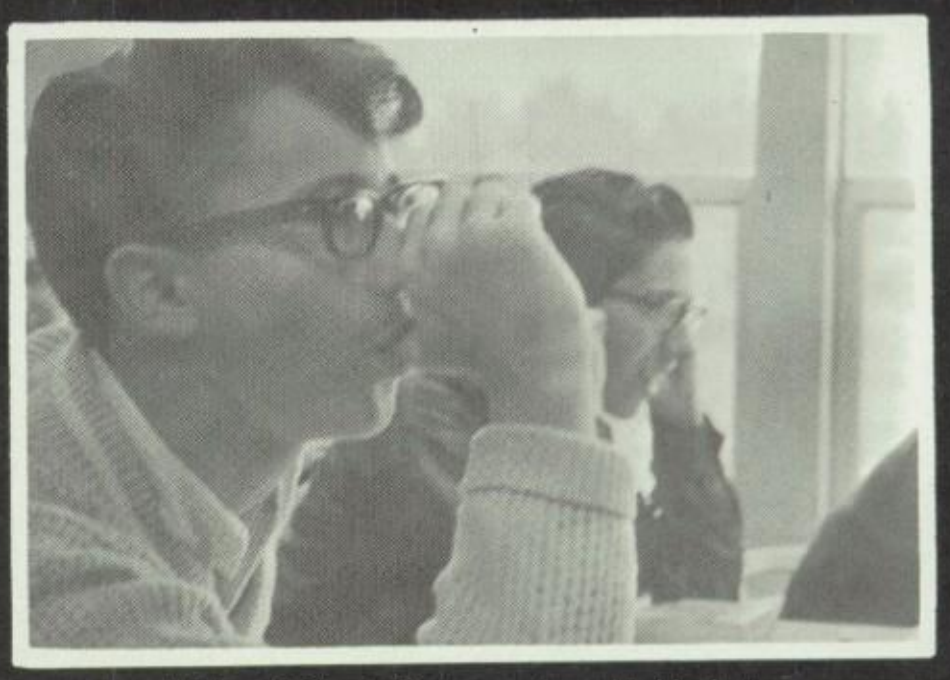
Let's all sneak up on coach real quiet like.

BEFORE and

AFTER

If they only knew I'm an under cover agent for Donald Duck.





Well — if Charlie Brown can have his blanket!

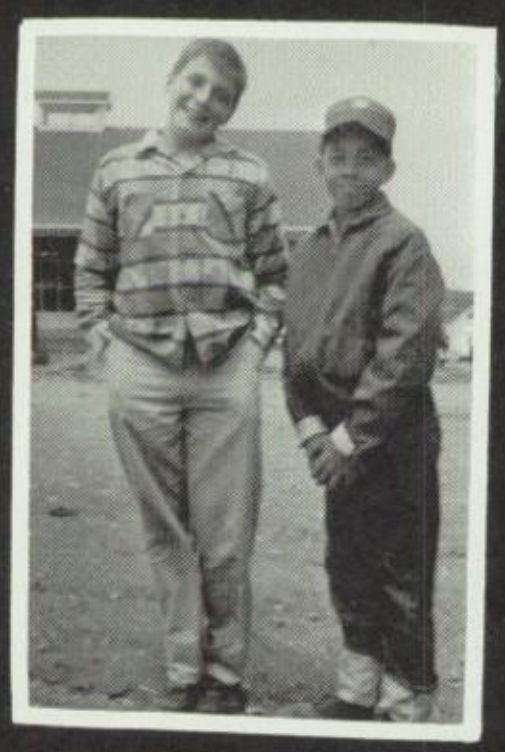
One good picture is worth a thousand words.

Wait until you see them in a couple of years!!

This is your life MacDonald Duck!

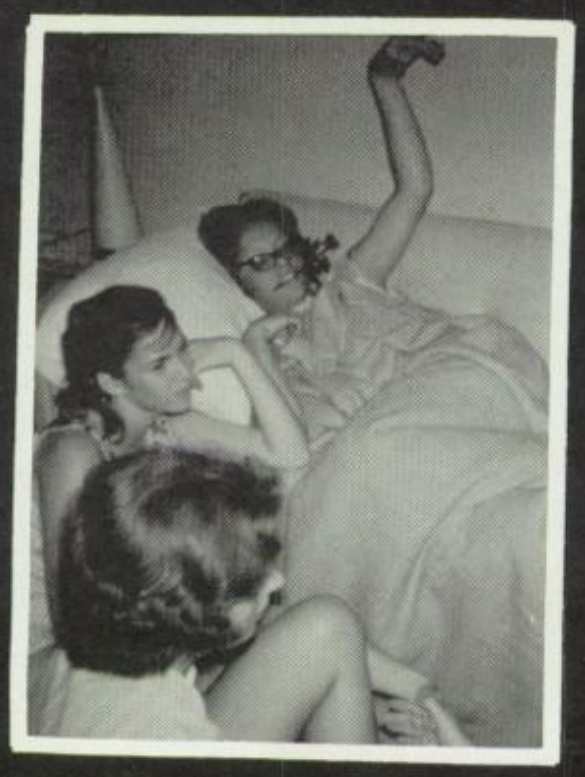
We told him we weren't going to do footnotes today!

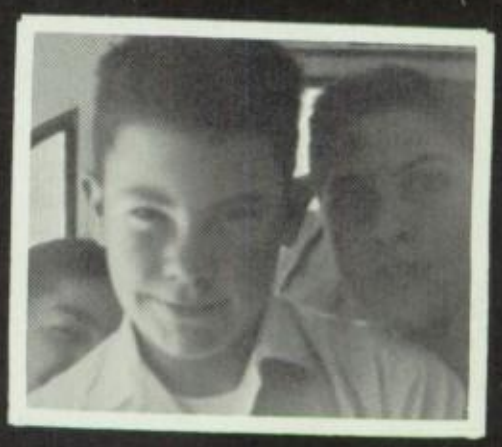
And I've still got three periods and a G.O. meeting to go yet.



Just because you got out of bed on the wrong side and walked into the wall doesn't mean you have to take it out on me!

Now I lay me down to sleep . . .





"It's figuring how and learning why,
And looking forward and thinking high; . . .
It's serving, striving through strain and stress,
It's doing your noblest — that's Success!"

# Officers

As the result of elections held at the end of last year, John Barrett became the President of the Student Council. However, he was not destined to fill this position. During the summer, the Barrett family moved to Marathon, New York and this left a vacancy in the presidency. After much debate, it was decided that new elections would be held to find a successor. As a result, Nancy Eppolito came into the limelight. She has been handicapped because of her late start, nevertheless, she and the other officers have diligently carried out their duties.

This year has also brought about Mr. Kretz as the able advisor of this student governing organization.

1964 SHIELD STAFF

One of the highlights of the school year is the day the yearbooks are given out. During the weeks that are to follow most free time is given to signing pictures, mainly Senior. Few people realize the hours of tedious work that are required to make a successful yearbook. One of the most hard-working members of the staff is the photographer. This year we were fortunate to have the assistane of Mike Goldblatt, a Junior. The 1964 Shield Staff would like to thank all those who have helped to make this year's yearbook the best ever and we wish next year's Staff lots of luck because you're certainly going to need it!

# Band

What would a football game be like without the band? It's hard to imagine, isn't it? Of course the band is a very important asset to the game, and Memorial Day would change considerably if there were no band to march to the cemetery.

However, the band does not function only for these purposes. It's members increase their understanding of the music world as well as their musical abilities throughout the entire year. At certain times of the year concerts are given so that the student body and adults might view some of the accomplishments of the organization.

This year we are fortunate to have an ensemble, which is composed of the more advanced members of the Concert Band. It is hoped that this group will instigate future musicians to strive for improvement so that the whole band can reach for higher goals.

However, candidates are not chosen for athletic ability alone. They must have high standards as shown in spirit, sportsmanship, loyalty, and responsibility.

This year, Marsh Merrill is the club's president; Eddie Leonard, Vice President; and Stuart Groo, Secretary-Treasurer.

# Chess Club

This club has been handicapped by the fact that it used to meet at noontime. However, they have overcome the scheduling program and now meet after school. Mr Sprague is once again the able advisor and teacher of the ancient game.

Monroe-Woodbury's hopes for a winning season were dealt a severe blow as the result of two heart-breaking defeats, suffered at the hands of two non-league foes, Pearl River and Lakeland, respectively. These two games had identical scores of 7-6.

The Next Saturday brought the opening of the Orange County League. Our team's stock rose sharply as the result of our resounding defeat of Goshen, 27-7.

Warwick took advantage of their opportunities to defeat the Crusaders 27-0. Warwick, as expected, ended up in first place.

The Crusaders rebounded against Cornwall and Highland Falls, winning 20-19, in a bitterly disputed contest, and 20-0.

This set the stage for a showdown with Valley Central for second place. Our team met the challenge, winning 25-19, in a well-played contest.

We closed the season with a highly respectable 4 and 1 league mark and a 4 and 3 overall mark.

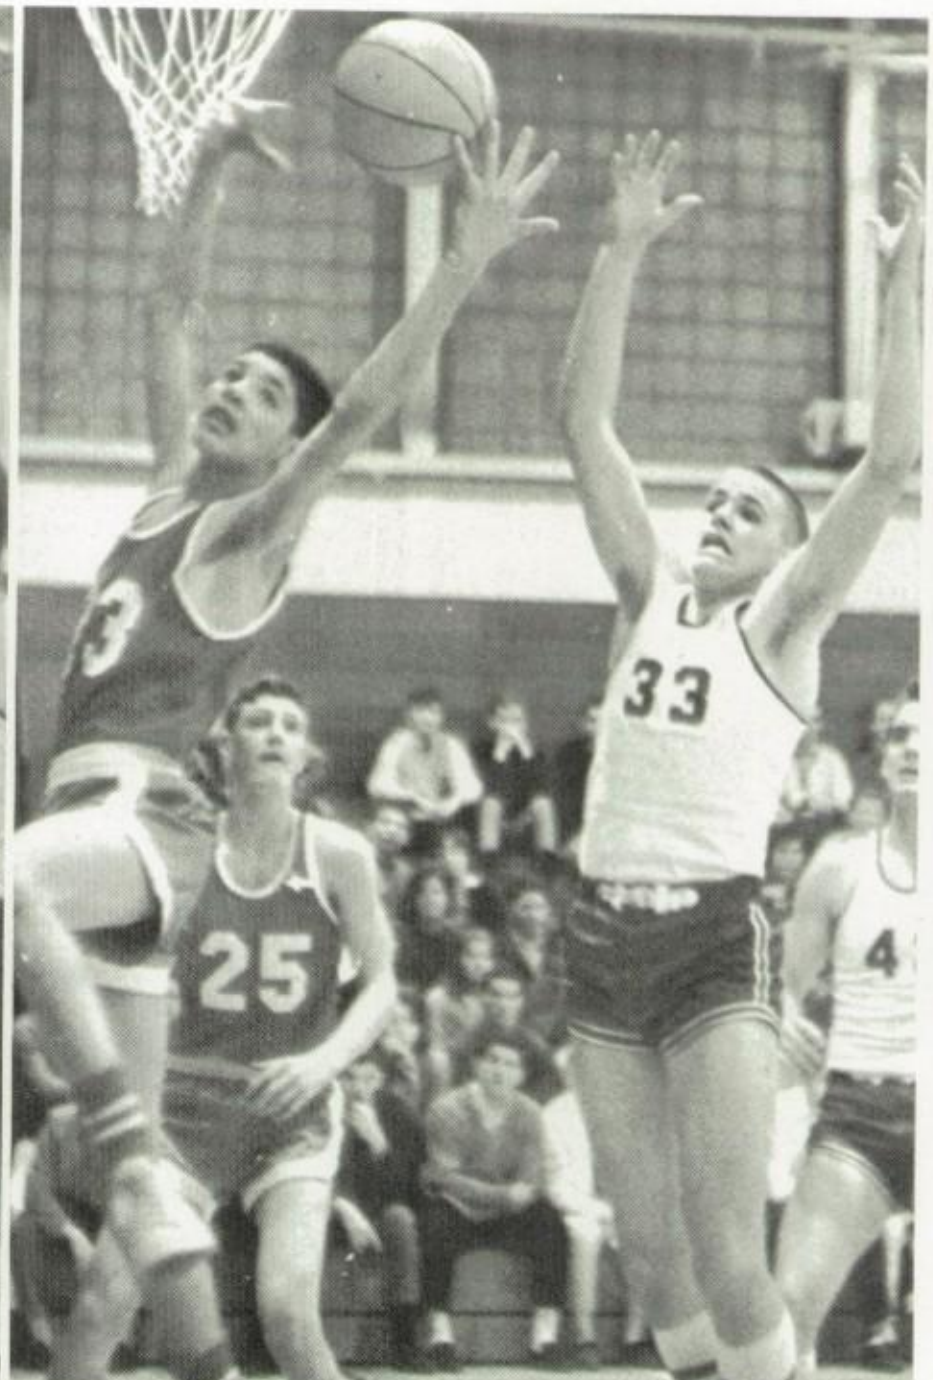
# 1963 Christmas Tournament



# OCIAA Champs

This year was a very gratifying one for the basketball team. It was certainly the best basketball team under the direction of Coach Charles Seager since he took over the reins three years ago.

The season opened on the right foot with a 55-30 trouncing of Warwick. Two other victories followed, but Cornwall rose to the occasion and handed our boys a 57-53 setback.

This set the stage for the Christmas Tournament held at Monroe-Woodbury. We defeated Haverstraw and met Cornwall in the finals. This time our boys took measure of Cornwall and walked off with the trophy.

M-W went on to win the Orange County Section A title in a playoff game with Cornwall. We also won the OCIAA championship in a title game with Chester. However, our boys lost out in Section 9 with a heart-breaking 65-62 loss to Monticello.

Special credit should be given to Ed Leonard who lead the league and the team in rebounding and scoring. As a result, he became Orange County's "Player of the Year." Coach Seager was named "Coach of the Year."

The team ended up with a highly respectable 14 and 3 record.

Lack of heigh, contributed to a miserable year for our Junior Varsity. Under the fine direction of their able coach, Mr. Frank Griffin, our boys gave the much taller teams in the league quite a tussle.

# Junior Varsity

This years Junior Varsity squad was almost a squad of first year girls. These peppy nine worked especially hard, long before basketball season. The results proved successful. With one year of experience behind them and practically the entire Varsity squad graduating these girls have a lot to look forward to next year. To them go our congratulations for a job well-done.

Cross Country is a highly competetive sport. It is run on a 2½ mile course over various terrains. Monroe-Woodbury did a fine job in placing second in the County Meet and having two runners represent Section Nine in the State Meet. They were Tracey Schriber and Dan Stormer. The team worked hard and diligently throughout the season under the able direction of Coach Justin Shearin. Other outstanding members were Fred German, Frank Belmonte, John Maher, Harmon Mansberger, Ed Baldesweiler and Dave Strebel.

# Wrestling

Wrestling is a new sport at Monroe-Woodbury. It is a highly individual sport, but the scores are taken on a team basis. However, the team did not fare as well as three of its members.

M-W had the distinction of having three Orange County champs on its team. These were Stan Kogan in 182 pound class, Harmon Mansberger in the 156 pound class, and Pat Tursi in the 145 pound class. These three boys deserve a lot of credit.

There was much enthusiasm this year for wrestling. This raises Coach David Foster's hopes for a better showing next year.

During this school year the girls' junior and high school intramural program has expanded. Every Monday after school, our athletically inclined girls have devoted their time to such sports as soccer, basketball and volleyball. Later this spring softball, tennis, minor sports and track and field events will be open for participation.

In the fall a M-W soccer team travelled to Goshen for a game. Also during this season our girls were hostesses to North Junior High from Newburgh and Minisink Valley. Other games were with Cornwall Jr. High and Veraldi J.H.S.

With the girls moved inside for basketball. The freshman and junior high teams played with North Junior High and Veraldi J.H.S. away from home. The high school team played N.F.A. and Minisink Valley. To finish the basketball season M-W was hostess to the Orange County High School Girls' Basketball Playday with eleven schools participating.
